

# DMC

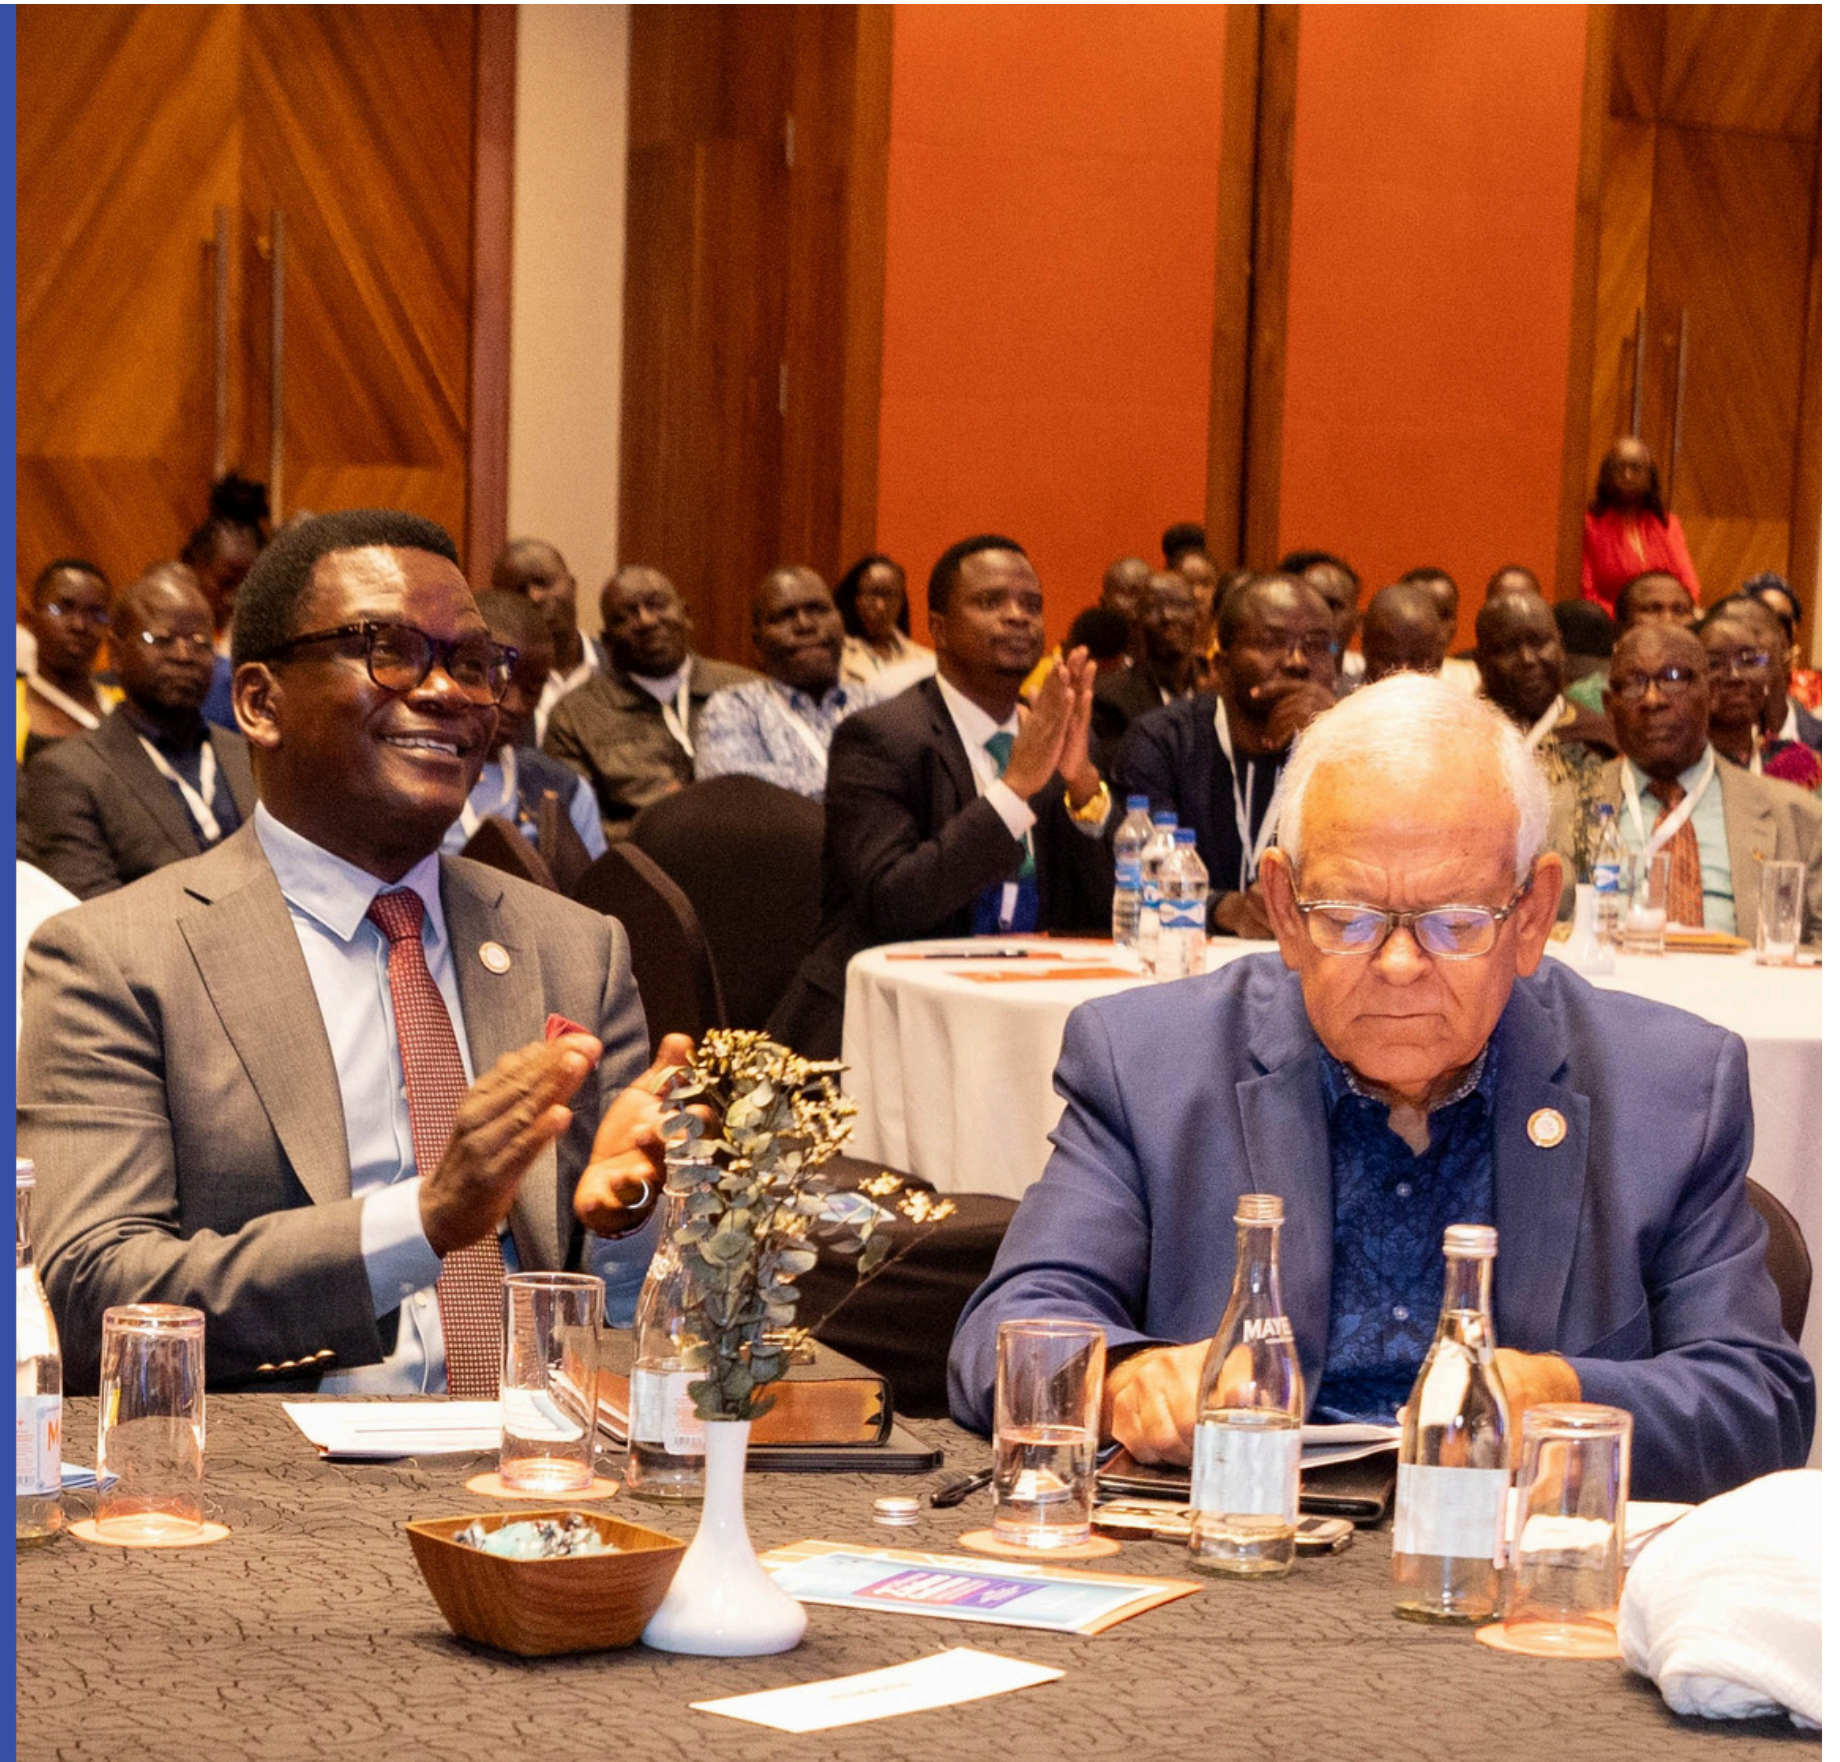

DIFFERENCE MAKERS  
CONFERENCE

A strategic alliance of Johnny Hunt Ministries and Echoes of Mercy Mission dedicated to equipping leaders for eternal impact.

# Foundational Vision & Partnership

The Difference Makers Conference (DMC) is a premier leadership and spiritual enrichment forum born from a powerful partnership between **Johnny Hunt Ministries (USA)** and **Echoes of Mercy Mission (Kenya)**. Founded under the joint vision of **Pastor Dr. Johnny Hunt and Bishop Moses O. Odhiambo**, the DMC was established to address the critical need for biblically grounded and practically equipped leadership across Africa. This collaboration unites decades of pastoral wisdom with on-the-ground humanitarian expertise to empower, encourage, and unite faith leaders and emerging influencers.

# Mission & Core Purpose

Our mission is to create a transformative environment where leaders are fortified in their divine calling through dynamic biblical teaching, practical leadership development, and profound spiritual encouragement. We believe that by strengthening the leader, we multiply the mission, creating a ripple effect of positive change that echoes through churches, communities, and generations.

## Defining Themes and Impact

The DMC is built on foundational pillars that shape its content and culture:

- Biblical Preaching: The Primacy of Substance
- Moving beyond rhetorical flair, the DMC champions doctrinal integrity and the unadulterated Word of God as the source of transformative power.
- Leadership as Sacrificial Service
- Framing leadership through a biblical lens of servanthood, the conference challenges attendees to lead with the patience, nurture, and selfless devotion of Christ.
- Vision and Divine Provision
- Anchored in the principle that “Where God guides, He provides,” the DMC inspires leaders to pursue God-sized visions with audacious faith, trusting in His faithful sustenance.
- The Gospel’s Transformative Power
- The conference culminates in the robust affirmation that the Gospel is not merely a message, but the living Person of Jesus Christ, who brings ongoing transformation.

# A Growing Legacy

Since its inception, the DMC has rapidly become a landmark event, gathering over 500 leaders from across Africa and beyond. The 2nd conference, held in Nairobi in August 2025, stands as a testament to its growing influence and the hunger for leadership that is both spiritually deep and practically effective.

## Founding Partners

The DNA of the DMC is a direct reflection of its founders:

- Johnny Hunt Ministries brings a legacy of visionary pastoral leadership and a deep commitment to equipping pastors and church leaders worldwide, emphasizing confidence in one's divine calling.
- Echoes of Mercy Mission, under Bishop Moses O. Odhiambo, provides the vital community context and a proven model of holistic ministry, demonstrating how spiritual truth translates into sustainable compassion and empowerment.

# The Future Echo

The Difference Makers Conference is more than an annual event; it is a catalytic movement. It represents a key strategic partnership to build self-reliant communities by first building capable, called, and courageous leaders.

**Be the  
Change.  
Join the  
Movement.**

The DMC invites all leaders committed to deepening their impact to join this growing community. Together, we are proving that when leaders are equipped biblically, the impact is eternal.

***"Equipped biblically,  
the impact is eternal."***
